

CHRISTMAS IN JULY | SUNDAY 15 JULY 2018
Report by Heather Dunlop

A great turnout for this event on Sunday 15th July. It was good to see a few members who have not been able to join us due to health issues and a lot of time was spent catching up. Finding a venue with a reasonable cost is not always easy, however Picton Bowling Club certainly came up with the goods.

We were greeted with tables beautifully decorated with Christmas bon bons and the lovely white table cloths and the Club dining area was also decked out with streamers and other Christmas decorations.

The food was great, lovely roast pork and turkey with sauces and roast vegetables. Dessert was a choice of Christmas pudding or trifle, all disappeared very quickly. Followed by tea and coffee, the Chef and Manager, John Parvin, then gave each guest a lovely presentation of Belgian seashell chocolates. We left feeling like royalty. Oh yes, I forgot the beautiful handmade chocolate selection including strawberries dipped in chocolate to go with our coffee. This Club will definitely be a future destination for Club events.

Thanks to Brenda and Tony for making contact with our members which ensure the great turnout.

Life Members Janice and John Strachan made the trip from Lake Conjola for the day, always good to catch up. Kevin and Sue (yes, Kevin had steak and chips!!!!), made their usual long trip from Woy Woy to join Robin and Robert, Jean and Ivan, Pat and Don, Heather and Merv, Tony and Brenda, Terry, Yvan, Bob, Lyn and Graham, Karen, Steve and Denise and Alan.

A memorable day with great food and great friends.
