

**FEBRUARY MEETING AND RUN  
REPORT BY HEATHER DUNLOP, PHOTOS BY BRENDA**

**Nepean District Morris Minor Car Club Inc. Nepean Dam Run,  
17 February 2019.**

This run was to Nepean Dam with the group meeting at Macca's Narellan for coffee and catch up. A surprise visitor on this run was Ben Booth, former long time member who now resides in Victoria (never mind). Ben was visiting his Dad and family in the Illawarra and arrived in the pristine ute formerly owned by club member Ivan Mills, Ben built the ute over a number of years (with Ivan's help) and it is fitting that he is now the owner of this vehicle.

Lead by President Merv in the Morris Major Elite, Ben, Terry (MM Convertible) Brenda & Tony (Split screen MM), Yvan (4 door MM) and Karen and Don and Pat in their daily drives, the convoy travelled through Camden, Picton, Tahmoor and Bargo via Razorback to our destination at the Dam. Like all Sydney Water Dam sites, the picnic areas and facilities are excellent. We held our meeting, devoured our lunch, went for a closer look at the Dam and all agreed it had been a most enjoyable day. Thanks to Brenda for photos.
