

**JANUARY MEETING AND RUN
REPORT BY HEATHER DUNLOP, PHOTO BY SUE FIRTH**

**Nepean District Morris Minor Car Club Inc. Visit to Penrith White Water Stadium,
13 January 2019**

Our outdoor meeting at Tench Reserve scheduled for Tuesday 8th January was cancelled due to forecast strong storm warnings. Our meeting was then re-scheduled to Sunday 13th January when we met at Panthers. A good turn out for our first meeting with a surprise visit from Life Members Janice and John Strachan from Lake Conjola. It was lovely to catch up.

After the meeting an impromptu run was arranged with a small group heading to the White Water Raft Complex at Penrith. An enjoyable stroll around the course, watching the foolhardy and fit and energetic brave the rapids of the course. The group then enjoyed a light lunch at the venue and went their separate ways home. Thanks to Sue for the photo.
