APRIL RUN TO EBENEZER

Our meeting point was at Macquarie Park at Windsor and after our usual coffee and chat the April meeting was conducted under the guidance of Vice President, Tony.

The group, consisting of Tony and Brenda, Denise and Steve, Karen, and Don and Pat left for our run to Ebenezer Church which is of great historical interest. Our next stop was lunch at Cafe Tractor 828. We were booked in, along with a very large group of Motor bike riders. The food was of the usual high standard however as we settled in to our outside table and ready to order, the heavens opened and everyone ran for cover, very crowded inside however we all got served. Karen had to stay undercover outdoors in the company of her dog, Missy.

Small in numbers but a most enjoyable day.
