

**CHRISTMAS IN JULY, PICTON BOWLING CLUB
21 July 2019
Report by Heather Dunlop**

After a most enjoyable 2018 Christmas in July, members decided to re-visit Picton Bowling Club for the 2019 event. Twenty one members met prior to the lunch for the monthly meeting and then adjourned to the function room for lunch.

Chef John Parvin (Chef's Table at Picton Bowling Club) and his staff had decorated the private function area beautifully which presented a festive yuletide atmosphere for our event.

Traditional Christmas fare including pork and turkey, roast vegetables followed by Christmas pudding and custard was quickly devoured and enjoyed by members. John once again provided us with an extra surprise, a box of seashell chocolates for each member.

After lunch much socialising and catching up and it was lovely to see Jean Mills enjoying herself and also Janice and John Strachan making the trip from Lake Conjola for the meeting and lunch.

The raffle was won by Robert and second prize, Sue.

Another most enjoyable event.
