

2021 EVENT REPORT | Heather Dunlop

JANUARY

The annual outdoor meeting at Tench Reserve was well attended with a lot of catching up. As usual for this event, it was super hot with lots of activity from boats on the River. This is a lovely spot for a get together however the heat, even in the early part of the evening, discouraged us from lingering.

FEBRUARY

Our best efforts to get up and running in 2021 hit a brick wall in February when our planned run to Warragamba Dam was washed out. Ten hardy souls turned up to the meeting site at Panthers and after rushing to the Club with umbrellas and ordering coffee, it was decided to abandon the day. As it turned out, the rain continued most of the day. Good to catch up over coffee. No formal meeting was held.

MARCH

Finally, we managed a lovely day for our visit to The Secret Garden in the grounds of Western Sydney Uni at Richmond. Val had suggested this venue last year and of course Covid prevented a visit before now. The One Cafe within the Garden and Nursery complex is operated by North Western Disability Services with volunteers working in the Cafe and Nursery along with supervisors. The meals were great value and because they were busy, the service a little slow however it was generally agreed this was a good destination and one to visit again. Some of our keen gardeners purchased plants, which were extremely good value and I look forward to reports on good results.

COMING EVENTS

April - Saturday 17th Nurragingy Reserve at Doonside. Meet at 10.30 am at main entrance on Knox Road. BYO everything for picnic lunch. Coffee shop on site.
